

River East School Division No. 9

We Are Still Growing!

Feb 1960

VOTE FOR THE SCHOOL BY-LAW!

\$945,000.00 for the purpose of constructing an addition to Miles Macdonell Collegiate costing \$390,000.00, and an entirely new Collegiate in North Kildonan costing \$555,000.00

Tuesday, Feb. 9th, 1960

Polls Open 10 a.m. to 9 p.m.

The need for these buildings is urgent. Your Division Board is now renting three rooms in Melrose Junior High, as well as sharing gymnasium space there, and renting five rooms in Lord Kitchener School. In September, even these rented quarters will be inadequate to accommodate the new high school students coming up from lower grades. Hence the great importance attached to a "YES" vote on this By-Law.

APPROVAL
of the
BY-LAW
is a
NECESSITY

- By-Law \$945,000.
- Debentures repayable over 20 years.
- Provincial Government grants provide 75% of Cost. Division taxpayers are charged only 25% or \$236,250, which is to be levied against the taxpayers of the River East School Division, comprising the school districts of East Kildonan, North Kildonan, East St. Paul, Donald and Rosewell.

**Your River East School Division No. 9 Recommend

Bylaws

Passed

Voter in the River East School Division Tuesday approved a \$945,000 money bylaw by a vote of 1,319 to 244 for the construction of a new collegiate in North Kildonan and for an addition to Miles Macdonell Collegiate in East Kildonan.

The school division is made up of electors in East Kildonan, North Kildonan, East St. Paul and part of St. Clements.

Voters in North Kildonan also voted on a \$285,000 school money bylaw and approved by a vote of 446 to 85 the construction of an elementary school.

Voting hours were from 10 a.m. to 9 p.m. The vote was light in all districts.

New River East Collegiate Opening Set For Monday

The official opening of the new \$508,970 River East Collegiate, Sutton and Pentland, will take place Monday evening at 8 o'clock.

R. W. Lightly, chief inspector, Dept of Education, will preside, and B. E. Glavin, chairman of the River East School Division No. 9, will chair the evening's proceedings.

The collegiate has 15 academic classrooms, one commercial, three home economic, three shops, two multi-purpose, two laboratories, one library and 10 combination auditorium-gymnasium.

Provision is also made for the Board administration offices, guidance offices, physical education offices and staff rooms.

~~It is also designed for future~~ construction as a final stage to include 22 academic classrooms and six industrial arts classrooms, or a total of 65 classroom count.

Besides Mr. Glavin and Mr. Lightly, others taking part in Monday evening's program will be: D. H. Stewart, inspector of schools; A. Smaluk, principal; Brian Sasynec, president Student Council; J. T. L. Ward, architect; F. R. Wyatt, contractor; and Mayor John Dickson.

Providing entertainment will be: Jack Reimer, accordion solo; the Mendres brothers, trumpet and accordion duo; tumbling display by River East students under the direction of R. Peniuk; and the Miles Macdonell Collegiate orchestra under the direction of T. C. Meadows. Mrs. J. R. Morton is general convener.

A tour of the school will be conducted by the staff and students. Refreshments will be served.

SCARCELY CHANGED

Humboldt has grown considerably in the last 10 or 15 years — yet the method of garbage collection is virtually unchanged since first started. It is not reasonable to expect that anyone can do the job expected of them with the equipment available. — Humboldt (Sask.) Journal.

in most communities, will be under and part of council.

In the River East School Division the ratepayers went 3,484 to 2,560 in favor of a \$650,000 extension to River East Collegiate. That area, like Transcona has heavy housing developments.

Transcona ratepayers went on record Wednesday as favoring a \$882,000 Collegiate in East Transcona.

The bylaw also included an eight-room addition to Springfield Collegiate which was recently completed.

In Charleswood a \$150,000 addition to the newly completed Charleswood Collegiate was approved 549 to 109.

For the election of aldermen and school trustees, see Page 18.

\$650,000 VOTE

In Kildonans

October 24 Oct 1962

East and North Kildonan electors will have a \$650,000 money bylaw for school addition to vote on Oct. 24th.

River East School Division No. 9 is seeking a 20 - classroom addition to the River East Collegiate on Sutton avenue in North Kildonan.

In addition to the classrooms it is proposed to build and equip a shop-commercial room, laboratory, library - music - arts-crafts and visual education rooms.

Although electors will be voting on a \$650,000 bylaw, they will be responsible for only \$162,500 as 75 per cent of the cost will be taken care of in a grant from the provincial government

New River East Collegiate Addition Opening Friday

The new River East Collegiate addition on Sutton avenue in North Kildonan will be occupied on Friday.

This addition will provide for 20 classrooms, one laboratory, increased area in the automotive shops, increased library area, 2 commercial rooms, music, arts and crafts, and visual education, giving a total count of 38 classrooms.

The collegiate, which was opened Dec. 12th, 1960, had 16 classrooms plus 3 laboratories, 2 home economics, automotive, auditorium, library, 3 commercial, music, art, arts and crafts, and visual education, now giving it a 72 classroom count.

This situation now will relieve the staggered classes at River East Collegiate, as well as the heavy burden on the transportation system which will operate on regular day school hours.

The collegiate offers diversified courses, grades 9 to 12 inclusive, in the university entrance, commercial, home economics and automotive vocational courses.

The automotive shop has 4,900 square feet with layout area closely paralleling industry. The service floor section follows the work bay principle with travelling crane, extended work benches, etc.

All precision and electrical testing units plus special tools are clustered in a glassed-in tool room. The classroom has the form of an informal lecture demonstration area from which shop supervision can be controlled.

The parts and engine washing area is contained in a separate room, providing excellent shop maintenance.

Equipment is adequate and generous to comply with the new revised three-year high school industrial automotive course. Two instructors man the shops with full classes, one in each of grades 10, 11 and 12.

The automotive shop facilities are presently being utilized Saturday mornings by the Department of Education Vocational Branch in the training of Industrial Arts shop teachers for Greater Winnipeg.

Feb 1964

Open House At River East Wednesday

River East Collegiate, on Sutton avenue will be open to the public when an "open house", which will afford all residents the opportunity to inspect the new addition, will be held Wednesday, Feb. 26th, at 8.00 p.m.

Special speaker will be R. W. Lightly, Chief Inspector, Dept. of Education. Others to be heard from briefly will be D. H. Stewart, Inspector of Schools; Principal A. Smaluk; J. T. L. Ward, architect; R. Stewart, contractor; and Mayor Stanley Copp.

J. S. Coulter, chairman of River East School Division No. 9, will be the chairman.

The Glee Club, under the direction of J. Degen, will render several selections.

Cost of the addition, \$650,000, along with the first section, brings the total cost of the Collegiate up to \$1,205,000.

One of the most interesting rooms is the automotive shop which has an area of 4,900 square feet. This closely parallels industry with work bay, principle, travelling crane, extended work benches, etc.

All precision electrical testing units, plus special tools, are located in a glassed-in tool room area.

The classroom has the form of an informal lecture area from which shop supervision can be controlled. Equipment is adequate to comply with the new revised three-year high school course with two instructors.

The new wing also provides for a spacious library, ultra-modern music, audio visual and art rooms.

The collegiate will accommodate approximately 1,200 students which, with the possibility of a change in school boundaries, may also include students from East Kildonan. Other high school students in East Kildonan are accommodated at Miles Macdonell Collegiate.

Presently River East serves all of North Kildonan, all of East St. Paul and the Donald School District area of St. Clements.

The addition has now relieved the staggered classes in the River East Collegiate, as well as the burden on the transportation system which is now operated on regular school days.

A feature of the collegiate is the large parking area, which can accommodate a large number of visitors.

E.K. Students To Enroll At River East Collegiate

Approximately 200 high school students living in East Kildonan will enroll at River East Collegiate rather than Miles Macdonell Collegiate this fall due to a change in the school boundary.

The River East Board sent notices to parents at the end of the week advising them of the change.

Students affected are grades 10, 11 and 12 from Roberta avenue north.

Enrollment at Miles Mac in the fall will be approximately 1,150, which is the maximum number of students that can be accommodated.

With the 200 students from the north section of the city going to River East, enrollment there will be just about the same.

The matter of transportation for these students is being discussed by the Board.

A parents meeting, where courses offered at the Senior High level will be discussed, will be held at River East Collegiate on Wednesday, April 22, at 8.00 p.m.

Parents are invited to attend, particularly those from East Kildonan, as they will be given the opportunity to inspect the school.

2 Mill Hike In E. St. Paul Tax Rate

East St. Paul Council recently approved an increase in the tax levy of approximately two mills, bringing the rate to 46.5 mills.

The increase was made up of approximately one mill each for Metro and education costs.

Council also approved certain other expenditures, however, the cost will be covered from tax reserves.

Plans are underway for the establishment of a Volunteer Fire Brigade, and to accommodate the additional equip-

River East Collegiate planning reunion Sept. 29

By **Wanda McConnell**
Herald Editor

Alumni of River East Collegiate are invited back for a homecoming and open house Sept. 29.

The Sutton Avenue high school opened its doors 40 years ago. To mark the occasion, a planning committee has organized a nostalgic evening of sports, music, tours and browsing through old yearbooks.

Barry Shaw, head of REC's science department and an alumnus of REC, and Gord Puttaert, head of the physical education department,

are co-chairing the event.

Shaw says the school wanted to do something special for its 40th anniversary, but is probably going to pull out all the stops when it celebrates its 50th anniversary.

For the 40th, alumni are invited to arrive at 4 p.m. to renew acquaintances. Then, at 5 p.m., the River East Kodiaks football team takes on the opposing Oak Park Raiders for about two hours of outdoor entertainment. River East School Division superintendent John Carlyle will do the official kick-off at the game. Hotdogs and drinks will be available for sale.

At 7 p.m., the action moves inside, with some speeches and a chance to mingle in the gym. As well, there will be yearbooks on display from just about every year.

Shaw says it was decided that a mailing list will be started that evening for each graduating year to make it easier if a class decides to hold its own mini-reunion at a later date.

The reunion goes until 9 p.m. and will include tours of the school, musical entertainment, and the sale of coffee and doughnuts by the school's KEY Club.

Former staff at REC have been invited to attend, but any who have not been reached are encouraged to call the school and let them know they're coming, says Shaw.

The Parkinson Foundation of Canada, Winnipeg Chapter, will hold its annual Superwalk on Sept. 24, 10 a.m. at the St. Vital Park Duck Pond.

Pledge forms can be picked up at any public library or Safeway stores. Two km and 8 km walks are available. Registration starts at 9 a.m. Donuts and refreshments will
