

# North Kildonan and McIvor School Districts, School Board Trustees and Secretary Treasurers 1924-1967

The North Kildonan School District was formed in 1924 when the area split from the East Kildonan School District. The boundaries from 1924 to 1949 were the same as the Municipality of North Kildonan.

In 1950 the area was divided into two districts; the area east of Gateway became the McIvor School District and the area west of Gateway remained as the North Kildonan School District.
